Re: CDLAC Available Allocation for Reallocation

The California Debt Limit Allocation Committee (CDLAC) will reallocate Qualified Energy Conservation Bond, Recovery Zone Economic Development Bond, and Recovery Zone Facility Bond allocation ("ARRA Bond Reallocation") as such authority is either voluntarily waived by the original recipients of ARRA Bond Allocation or deemed waived by CDLAC. As of this date, the following allocation amounts are anticipated to be available for reallocation by CDLAC for the March 24th reallocation award round:

Recovery Zone Facility Bond Allocation (RZFB): \$132,254,000

Recovery Zone Economic Development Bond Allocation (RZEDB): \$113,344,000

Qualified Energy Conservation Bond Allocation (QECB): \$192,252,946

The attached spreadsheet contains the status of each Plan of Issuance received by the January 31, 2010 deadline, and also indicates what local government allocations have been either voluntarily waived or deemed waived by CDLAC to date. Should you have questions regarding the information, please do not hesitate to contact the CDLAC office at (916) 653-3255.

You are advised to visit the CDLAC website and/or subscribe to the CDLAC e-mail distribution list to receive additional information as it becomes available.
